

Australian Institute of Architects

*Elliott Ripper House: Christopher Polly Architect
Photography: Brett Boardman*

Creating a home is a huge emotional, physical and financial investment. Just be sure it's a wise investment – find an architect.

Don't go it alone! Working with an architect gives you a personal yet professionally guided experience. Architects have the qualifications, vision and experience to manage the entire design and construction process with you; to realise your vision – and ensure get you value for money – every step of the way.

**Whatever your project
Whatever your budget
Your grand design deserves an architect**
